Street Jesus News:

And if somebody asks about your Christian hope always be ready to explain it, but do this in a gentle and respectful way.

1 Peter 3:15-16

Welcome to the June edition of Street Jesus e news. We hope you too will be filled with the holy spirit as we approach this Pentecost. It's very appropriate that the 'Thy Kingdom come' prayer initiative which is now world wide involving 64 denominations in 114 countries begins on Ascension day and culminates 11 days later at Pentecost.

The events draw on the events seen in the book of Acts 1 where Mary the mother of Jesus and the disciples return to Jerusalem to dedicate themselves to prayer until the Holy spirit comes.

Inspired by this movement and following on from the Spring harvest theme of

Unlimited we had a discussion at our last meeting about our prayer time as an

organisation. Our business meetings are held bi-monthly so we have decided to hold a dedicated prayer meeting on the month in between.

One of the sessions at Spring harvest emphasised persistence in prayer and our need to yearn for the presence of God rather than prayer becoming routine or automatic. With this in mind our first dedicated prayer meeting will be on Monday June 10th 7.30, here at 7 Featherbroom Gardens, Wickham Market IP130JH. You are welcome to join us.

On our facebook page from time to time we get an interesting conversation. A self confessed Atheist recently posted a bible quote from Jeremiah 1:5 which talks about God knowing Jeremiah but his post also added a whole list of tyrants and dictators suggesting that God knew them also, so must have approved of them, was complicit in some way in their behaviour and did nothing to stop them from doing what they did. If God is omnipotent (all powerful) why did he not stop them? He concluded that God did not

care. This is of course at odds with what we as Christians understand because to us God is a loving God. It's interesting that somebody who does not believe in God, also believed God did not care. The conversation developed into whether God existed or not and the question that God could not be measured, verified or proven. At least not in the empirical scientific sense.

God instead is found in the human experience and so much that happens to us is emotional and intuitive, Love is not something you can hold in your hand or examine under a microscope.

He dismissed this on the basis that a physical brain was required and that none of these would exist without one. For us the physical is just the means by which the spiritual can be manifest, required only for God's kingdom purposes to take place. We could not move beyond our respective beliefs, his reality was the predominantly physical and

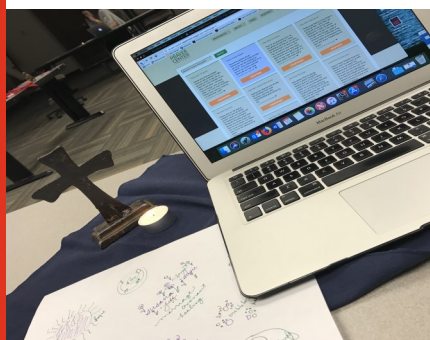

Street Jesus News:

Material whilst mine was spiritual.

In our ministry we often find that a prior commitment to the material is a very common impediment to belief in God. In the Christian life our dedication to prayer opens up another world for us, one in which we can make a connection with God.

Its no good saying 'God is not real' when you have experienced

transcendence or if reading scripture has had a profound impact on you. It can be disquieting for some to learn that you have no need yourself to hold a scientific proof of God. At this point in the conversation this atheist man became frustrated and rude.

So how are we to react when we face hostility.?

It is very tempting to fight fire with fire in these situations but that only

generates heat rather than light. We always say that the way we engage with people is very important. Gentleness and respect are vital. I personally was an atheist not that long ago, so I try to remember what i thought then and why i thought it. We try to avoid emotive phrases and avoid 'tit for tat' conversations when working on-line. We often withdraw from conversations after we have made a point or two, hopefully a seed will have been sown. We always pray for that person and hope that God will reveal himself in some way to them. I give thanks to God that he made himself known to me and having discovered the 'Pearl of great price' who wouldn't want to share it with others?

Our outreach at Melton Car boot sale on Saturday 4th was cancelled due to wet weather.

We had a fruitful day at Framlingham Gala craft fair on Sunday May 26th. Lots of conversations about the Beehive, we handed out over 100 Beehive flyers. £61 was raised for the home and £19 for Street Jesus. We took prayer requests and listened to people with various anxieties, particularly around Brexit In June we will be at the Rendlesham Show at Jubilee Park on the 8th and Woodbridge Regatta on Sunday 23rd.

In July we will be at the Ipswich Music day on Sunday 7th all day and Woodbridge Family day out on Sunday 14th which has been organised by Quay church in conjunction with Woodbridge churches together. We will be attending Saxmundham Music festival on Saturday 27th in partnership with the local United Kingdom fellowship church. We have a number of options for outreach in August which we will announce nearer the time though we will be holding our Bi annual Yard Sale on Saturday August 31st here at Featherbroom Gardens, Wickham market. We are hoping to be in Ipswich on September 28th, while in October we will be at Old Jet Bentwaters on Saturday 5th and Framlingham Sausage Fest on Sunday 13th

Please do come and visit us wherever we are, You will be most welcome.

Our Bible reading this month is from Jonah 3, where Jonah having spent time in the big fish eventually goes to Nineveh to warn the people about their sin and Gods impending judgement. Jonah who was a rather reluctant prophet had now become obedient. The people, including the King respond in repentance and were truly sorry wanting to make amends. God is looking for these kind of qualities in us. To turn to him and go beyond what we think we can do. all for his glory.

Our next meeting will be on Monday July 8th 7.30pm at 7 Featherbroom Gardens Wickham Market IP130JH All Welcome. Please email if you plan to attend Gods blessings Graham

- **Service – 10.00am – 11.00am**
- **The message of HOPE**
- **A chance to chat with the inmates**
- **Safety on our travels**

Thank you for your continued prayers and support for FinnyMusic. We're having quite a busy year thus far. In April we did an outreach concert for a church in Thetford and there were some amazing connections with folk, especially with those who came in off the street.

On 2nd June we are off to a NEW prison called HMP-Coldingley. This is a Cat C prison in Bisleigh, (8 miles north of Guildford). This is 130 miles from Woodbridge and to get there for 8.00am we will have to leave at 5.30am. Please will you pray with us for journeying mercies. That we will get a quick access to the prison and an easy set-up. We are expecting around 30 men to attend. If all goes well, we could get to do an afternoon concert on our next visit.

Beehive is a unique children's refuge, located in Nakuru, Kenya and supported from the UK. Established 4 years ago by Christian missionaries from Suffolk, The Beehive provides a place of safety in a loving, family style environment for sexually abused girls who as a result become pregnant. These children are referred by the Kenyan social services through the courts. The Beehive provides accommodation, medical care, education and job training for the teen mums and their babies, so that they are skilled and empowered to live a self-sufficient adult life in the community. There are virtually no similar facilities in Kenya so demand is high and the work now provides for some 18 mums and 14 babies, via two rented houses.

The transformation seen in these girls' lives as a result from the care at The Beehive to date has been truly heart warming and inspirational.

This voluntary work has grown and needs to become a registered charity. The work currently has a turnover of some £55Kp.a. but is likely to grow through grant applications. It requires a volunteer trustee treasurer, who agrees with the Christian ethos of the work and will help establish and ensure good financial governance that provides accountability through its business processes and accounts and submit the annual report to the Charity commission and its donors, particularly other charitable trusts and major donors.

As we already use Skype and conference bridges with people in Kenya for monthly meetings, routine face to face meetings are not required, but physical meetings would happen a couple of times a year in Suffolk.

For more details and / or to arrange a telephone discussion please email your interest.

BOOK OF THE MONTH

Prayer doesn't come easy for many Christians particularly those new to the faith. In this very accessible book Peter Greig gives us some good pointers as to how we can draw closer to God in our prayer time. One of the recommended reads from this years Spring Harvest .

SUPPORTING CHILD MUMS AND THEIR BABIES AT THE BEEHIVE KENYA

Bible reading

Then the Lord spoke to Jonah a second time² Get up and go to the great city of Nineveh and deliver the message I have given you” This time Jonah obeyed the Lord’s command and went to Nineveh, a city so large it took three days to see it all. On the day Jonah entered the city, he shouted to the crowds “Forty days from now Nineveh will be destroyed” The people of Nineveh believed Gods message and from the greatest to the least they declared a fast and put on burlap to show their sorrow. Then the King and his nobles sent this decree through the city.

“No one not even the animals from your herds and flocks, may eat or drink anything at all. People and animals alike must wear garments of mourning and everyone must pray earnestly to God. They must turn from their evil ways and stop all their violence. Who can tell ? Perhaps even yet God will change his mind and hold back his fierce anger from destroying us”

When God saw what they had done and how they had put a stop to their evil ways, he changed his mind and did not carry out the destruction he had threatened.

Jonah 3:1-10

Prayer

Make us free

Lord make us free
Free to share your new life
Free to be the people
You meant us to be
That, being risen with you
we may seek the things
that are from above

Quote to note

Christianity has not been tried and found wanting, it has been found difficult and not tried.

G.K. Chesterton
