Street Jesus News:

Welcome to the November edition of Street Jesus e-news. What an incredible amount of rainfall we had in October, it seemed to rain almost every day (and its nowhere near the date of St Swithans) It is beholden on us Brits of course to talk frequently about the weather and i have seen a number of references (including cartoons) recently about Noah and the flood but also Armageddon and the apocalypse have been used in relation to other world events. Its amazing how often biblical references are made on a day to day basis even in a highly secularised society like ours though we should not be surprised as Christianity has informed our culture for hundreds of years and has provided us not just with a solid

ethical foundation but has added to the richness in our language. . In a multi-cultural setting there is a whole market place of ideas and creeds and its almost inevitable that these become mixed up and watered down to some degree. One of our members recently saw a Christmas tree bauble in a large department store in Norwich with

the image of Buddha on it. She raised a complaint to which the store registered their sorrow at causing offence

In a society where Jesus is largely swept under the carpet and the main drive is toward commercialism there develops a desire to please other creeds, to be inclusive. Nothing wrong with being inclusive, Jesus included and embraced everybody but he also had some tough messages about worshipping false idols. It seems insensitive to us as Christians when we celebrate the incarnation of the living God on earth in a

profound, serious but joyful way to learn that there is a lack of awareness or crass thoughtlessness about its importance. Afterall you can get Christmas tree baubles with just about anything on them so if everything else is ok then why not Buddha? its just another object.

Just another sale in a store. Kerching

We look around and see that the world needs God. The world needs his love to be shown. Yes its good to make the management of a store in Norwich aware that our holy festival is being disregarded and that the reason for the season is not Buddha because he is dead and Jesus is alive. but we also need to demonstrate and explain why we love the Lord.

Many will say at this point that Christmas means different things to different people and that the Christmas date was stolen by Christians to assimilate the pagans into Christian adherence. That Christians do not own Christmas and people can adhere to whatever they want even if it's just a week off work with the family. Jesus though is a matter of life and death in all its fullness. Its why we do the work we do. To share and make people aware, to make him known. Please pray for us.

Street Jesus News:

We had a splendid day out at Framlingham Sausage Fest. We were blessed with good weather for most of the day despite predictions of heavy rain. Decent weather makes such a difference on the stall both in terms of the number of visitors we get and in protecting the African crafts and Christian literature which can become easily damaged.

We were very blessed to be working alongside Framlingham Baptist church who gave away free 200 cupcakes and drinks. They did receive donations for their generosity which they kindly donated to the Beehive. We are always so pleased to be able to join with a local church in our work not

least because local relationships are already well formed and we get many more people coming along for a chat. We were pleased to learn that our facebook messages are being passed on around the world to friends of our members in Turkey, Canada and other places. Its always

interesting to read posts from people in Africa and America as they bring a different expression to our faith. Sometimes we can stay in a bubble of our own church or national culture but there is such enthusiasm for our Lord all over the world.

Again we met people who had worked in Africa and one young man aged 20 had been to Nakuru in the past and was fascinated to learn about the Beehive project and would certainly like to go and visit. Its always refreshing to see such enthusiasm in the young for charity work, particularly as they often get such bad press in the media. It was therefore encouraging to meet two young ladies from Quay Church in Woodbridge who are involved in the youth counselling charity 'Footsteps' and we pray that their work will bear fruit.

In November we were due to be at Old Jet vintage market at Rendlesham but have been invited to the craft market at Leiston St Margarets church so will be attending there instead. We have some great supporters in that Church and we like to support those churches in particular who have a heart to be involved in Street evangelism.

On November 23rd we will be supporting the Beehive fundraising group at the Christina Johnson concert in St Augustines church in Ipswich. Tickets are now available from Ruth email- thepaellalady@gmail.com

We will be attending the Wickham Market craft fair in the village hall on Saturday 30th November. In December we are at the Woodbridge Christmas street fair on Sunday 1st and Wickham market Christmas street fair on Saturday 7th.

Our bible reading this month focuses on the end of the Jonah -Big fish story, which is one of the most well known and dramatic stories in the Bible. Jonah is obedient in the end and warns the people of Nineveh regarding their sin. Jonah is pretty angry that God shows mercy to the people there after they repent. The people did not receive what they deserved but that's the nature of God for you. In fact we all get what we don't deserve. Gods awesome grace!!!

The next Street Jesus prayer meeting will be on Monday December 9th at 7.30pm

Our next General meeting will be on Monday November 11th 7.30pm at 7 Featherbroom Gardens Wickham Market IP130JH -All Welcome. Please email if you plan to attend Gods blessings Graham

THE VENUE

At the heart of the beautiful Suffolk village of Monks Eleigh is an ancient barn, which was converted into a chapel in the 19th century. The recently renovated building is owned by The Ansell Trust and is managed as a Day Retreat Centre by a team from the United Reformed Church and St Peter's Church.

A space for people to be at HOME
with themselves, with others, or with their God

THE VISION

It's a place to find space: time to reflect, to meet, to talk, to be quiet, to recharge batteries, to just 'be'. It's available to everyone, of any faith or none.

Groups or individuals can use it for meetings, retreats, or simply as a base to explore the surrounding area. It's for all who need it, regardless of ability to pay.

FOR MORE INFORMATION & BOOKINGS CONTACT

ronnie@ronann.com | 01473 310169

THE FACILITIES

There is the main meeting room (seats up to 40) with a small kitchen area (for drinks and plating food), including washing up facilities and linen, along with glasses, crockery and cutlery for 40 people as well as supplies of tea, coffee and sugar.

There is also an electronic organ, keyboard and audio-visual equipment available for use. There are 2 toilets, one of which is wheelchair accessible, and there is space for parking at the front of the building and in close proximity.

THE QUIET PLACE

A short walk from the chapel is a five acre area of water meadow, preserved as a haven for wildlife by one of the centre's management team. In line with the vision and ethos of HOME, The Quiet Place is also available to individuals and groups on day retreat. You can follow a special trail with reflections or just stroll and sit and ponder. The distinctive wet meadow ecosystem is a natural home to special species of butterflies, birds and dragonflies.

BOOK OF THE MONTH

This book on the work of the London City Mission includes a number of testimonies of those who came to know Jesus, all from different backgrounds and in a variety of situations. Some entered the kingdom dramatically and others very gradually. The book ends with an explanation of the Christian faith based on many of the questions they have been asked

SUPPORTING CHILD MUMS AND THEIR BABIES AT THE BEEHIVE KENYA

Bible reading

Then the Lord spoke to Jonah a second time. "Get up and go to the great city of Nineveh and deliver the message I have given you." This time Jonah obeyed the Lord's command and went to Nineveh, a city so large it took three days to see it all. On the day Jonah entered the city he shouted to the crowds "Forty days from now Nineveh will be destroyed". The people of Nineveh believed God's message and from the greatest to the least they declared a fast and put on burlap to show their sorrow. When the King of Nineveh heard what Jonah was saying he stepped down from his throne and took off his royal robes. He dressed himself in burlap and sat on a heap of ashes. Then the King and his nobles sent this decree throughout the city. "None not even the animals from your herds and flocks may eat or drink anything at all. People and animals alike must wear garments of mourning and everyone must pray earnestly to God. They must turn from their evil ways and stop all their violence. Who can tell Perhaps even yet God may well change his mind and hold back his fierce anger from destroying us. When God saw what they had done and how they had put a stop to their evil ways, he changed his mind and did not carry out the destruction he had threatened.
