Street Jesus News:

Welcome to the October edition of our e-news.

It was so good to be out among the public again at the Climate Sunday event at Kingston field Woodbridge, the speeches were quite sobering around the science of climate change and scarily close to what scientists call the tipping point. In the quiz show the tipping point counters balance precariously over the edge or become positioned in areas which are random and not where you would expect them to go. In the real world it is not a game but equally as unpredictable is where extreme weather will strike, we just know that they are increasing in severity and frequency. The crowd were asked at one stage "Who here has recently suffered from climate anxiety" A large number of hands went up. This and many other concerns are the backdrop to our daily lives. There is a sense that many of the things we have relied on and felt secure in are now under threat. Fear of Covid, labour and fuel shortages, high energy costs and an unsettled geopolitical landscape are all having an effect on our sense of wellbeing. We thank God that he is with us in times such as these.

We have been able to distribute the new Beehive leaflets which are very well presented with all the up to date information on them. The Beehive Childrens Foundation (Africa) is now a registered Charity company, has obtained some land in order to build some bungalows and other facilities for the Child mums and their children. We continue to support the Beehive through our tip runs and selling African crafts but just as important is the "Its not ok" campaign which is aimed at men and the importance of respecting the integrity of a woman's / girls body. We continue to be amazed at the sheer hard work and dedication of Jane Alan and all the staff at the Beehive. We continue to pray that their work will thrive.

We had our Annual General meeting on September 13th and we spoke a lot about rekindling enthusiasm for our Street work, after an 18 month break you can soon get out of the feel for mission, we wanted to stress the importance of prayer in the process of re-ignition and have set a date of Monday October 4th 7.30 for our next prayer meeting. We will be asking God to keep the flame burning as we plan our programme for the months ahead. The use of fire in the bible is interesting as it suggests both a process of refining, burning away that which is harmful but also the awesome

Street Jesus News:

presence of the holy spirit. May fire be that for our project. Wherever you are we would also appreciate your prayers for our work.

Many of you will remember the 1970/80's game show 3-2-1 hosted by Ted Rogers where the object was to work through a series of clues in order to win the star prize but one clue led to the booby prize which would be dusty bin. We are always looking for resources to help us connect with people who do not have a faith and we have undertaken a short course in our church here at Wickham Market also called 3-2-1.

There are a series of three short videos which can be found on the web-site www.three-two-one.org which form the basis of discussion and a book written by Glen Scrivener, a book which is a good starting point for people who do not have a faith but are curious and open to discussion. If the star prize is Jesus and the dusty bin is separation from God it is much more than just a game show, its much more important, it's a matter of life and death. Lets use whatever resources God has given us to reach the lost.

Our next outreach will be on November 27th details of which will appear in our November issue. We will also be at Wickham Market

Christmas market on Saturday December 4th. The picture (left) shows the team on our last outreach at Wickham Market in 2019. We will be planning our programme for next year in due course and will keep you informed. It will be interesting to see which events will run next year as we have been establishing a rhythm of mission and forming

relationships with a number of churches and communities and we are praying that God will guide us as to where we need to be in the months ahead. Ellas bits and Bobs will be holding a sale in Wickham Market village hall on Saturday October 30th with 50% of proceeds being donated to the Beehive. We will be holding a prayer meeting here at 7 Featherbroom gardens Wickham market IP130JH on Monday October 4th 7.30pm

At Our AGM in September we elected new officers I will remain as Chairman, Nick Farrow remains as Minute secretary and Alan Tucker becomes our new treasurer. Anybody who would like a copy of our bi-yearly report or our accounts please e-mail me.

Our bible reading this month is from the book of Jonah, in the passage God is intent on destroying Nineveh because of the high levels of violence and sin. He sends Jonah to warn the people of this enormous city. This time Jonah is obedient and issues the warning to the people that God has asked him to convey. The level of sorrow and repentance lead God to change his mind and spare the city from destruction. It has become fashionable to say that God loves me because he made me like this. We can talk about Gods grace and forgiveness in a sense that allows us to do what we like.

God rather wants us to be real and humble about ourselves, he desires humility just as the King of Nineveh was contrite. Only by turning to God can we really give love, have hope and enjoy the freedom that only he can provide. Lets pray then for ourselves and one another.

Gods blessings Graham

BOOK OF THE MONTH

This book is written by an Australian born Englishman who understands the depth of God the Father's love for us through the gift of grace found in Jesus Christ, the son. It is in one volume an evangelistic tool written so that unchurched readers will understand the love of God coming from the God of love, and an apologetic tool answering several of the troubling questions that unbelievers may have, always pointing to the person of Christ.

Bible reading

Then the Lord spoke to Jonah a second time "Get up and go to the great city of Nineveh and deliver the message I have given you" This time Jonah obeyed the Lords command and went to Nineveh, a city so large that it took three days to see it all. On the day Jonah entered the city he shouted to the crowds "Forty days from now Nineveh will be destroyed. The people of Nineveh believed Gods message and from the greatest to the least they declared a fast and put on burlap to show their sorrow. When the King of Nineveh heard what Jonah was saying and took off his royal robes, dressed himself in burlap and sat on a heap of ashes. Then the King and his nobles sent this decree throughout the city. "No one, not even the animals from your herds and flocks may eat or drink anything at all. People and animals alike must wear garments of mourning and everyone must pray earnestly to God. They must turn from their evil ways and stop all their violence. Who can tell? Even God may yet change his mind and hold back his fierce anger from destroying us" When God saw what they had done and how they had put a stop to their evil ways, he changed his mind and did not carry out the destruction he had threatened.

Jonah 3:1-10
